Getting Started

Before starting to use the tablet PC, we would like to suggest you follow the illustrations below to begin to use the tablet PC.

CAUTION!

- Please fully charge the battery before using it for the first time.
- To ensure the unit working properly, please keep all connectors away from the contaminants staying inside of them such as dust, grease, mud, and water. The negligence may cause the unit with no communication, short circuited, overheated and so on.
- If the connector is damaged, please ensure the connector is being fully repaired before using the unit to avoid causing short circuited.
