Insert / Remove Micro SD card

Open the rubber cover, and:

- To insert the Micro SD card, push the Micro SD card into the slot until you feel the card click into place.
- To remove the Micro SD card from the slot, press the card in and release. The card pops out.

WARNING! *There is a risk of fire and burns if the battery is handled improperly. DO NOT disassemble, crush, puncture, short external contacts, or dispose the battery pack in fire or water. DO NOT attempt to open or service the battery. Dispose of used batteries according to local recycling guidelines in your area.*

- CAUTION!**
- *To ensure the unit working properly, please keep all connectors away from the contaminants staying inside of them such as dust, grease, mud, and water. The negligence may cause the unit with no communication, short circuited, overheated and so on.*
 - *If the connector is damaged, please ensure the connector is being fully repaired before using the unit to avoid causing short circuited.*
