

# EA602

## OS

### **How do I trigger the barcode scanning by gun grip on EA602?**

Go to settings->Docking Station->Scan Handle.

## Software

### **How do I know the status of unitech MDM software compatibility?**

Here's the google sheet that document the latest update.

<https://docs.google.com/spreadsheets/d/16unJfP46hqCrxPqagnb4VB9fBWHTFrUjwebCMIRgioU/edit?usp=sharing>

### **How to import/export scanner setting by APP?**

App listens for these two broadcast actions, one for import, the other for export the configuration from and to a file “scanner\_property.xml” in the root of internal storage.

Export broadcast action: action.EXPORT\_SCANNER\_CONFIG

Import broadcast action: action.IMPORT\_SCANNER\_CONFIG

### **What is intend for PTT button ?**

Press: android.intent.action.PTT\_KEYDOWN

Lift: android.intent.action.PTT\_KEYUP
